

## DAGSKRÁ / PROGRAM

09:00 SETNING - OPENING  
Ingibjörg Svala Jónsdóttir

09:05 AGNAR INGÓLFSSON – A PIONEER IN MARINE ECOLOGICAL RESEARCH IN ICELAND  
Jörundur Svavarsson

09:30 MÁLSTOFA I - SESSION I  
Fundarstjóri: Ágústa Helgadóttir

- |          |  |
|----------|--|
| 09:30 E1 | <b>Current reproductive collapse and diet of Icelandic Atlantic Puffins: A cyclic temperature dependent mechanism?</b><br><i>Erpur Snær Hansen</i> |
| 09:45 E2 | <b>Population density, diel activity, and growth in juvenile Arctic charr (<i>Salvelinus alpinus</i>)</b><br><i>Amy Fingerle</i>                   |
| 10.00 E3 | <b>Long term wind erosion in Iceland</b><br><i>Pavla Dagsson Waldhauserova</i>   |

10:15 KAFFI - COFFEE

10:45 MÁLSTOFA II - SESSION II

Fundarstjóri: Ana J. Russi

- |          |  |
|----------|--|
| 10:45 E4 | <b>Repeatability and ecological correlates of foraging and mobility by Arctic charr <i>Salvelinus alpinus</i>.</b><br><i>Nicolas Larranaga</i>               |
| 11.00 E5 | <b>Bryophyte-vascular plant-herbivore interactions affect tundra responses to climate change</b><br><i>Ingibjörg Svala Jónsdóttir</i>                        |
| 11.15 E6 | <b>Discriminating between herring populations</b><br><i>Lísá Anne Libungan</i>   |
| 11.30 E7 | <b>Sound production and behaviour of humpback whales (<i>Megaptera novaeangliae</i>) on feeding grounds in NE-Icelandic waters</b><br><i>Arnar Björnsson</i> |
| 11.45 E8 | <b>Do environmental factors guide selection of overwintering locations in Atlantic herring when learning opportunities are few?</b><br><i>Jed Macdonald</i>  |

12:00 HÁDEGISMATUR - LUNCH

13:00 AÐALFUNDUR VISTÍS - ECOICE ANNUAL MEETING  
Fundarstjóri: Erpur Snær Hansen

13:45 MÁLSTOFA III - SESSION III  
Fundarstjóri: Edwin C. Liebig

- |           |  |
|-----------|--|
| 13:45 E9  | <b>Evolutionary status of the redpoll subspecies <i>Carduelis flammea islandica</i> (Aves: Passeriformes: Fringillidae)</b><br><i>Julien Amouret</i> |
| 14.00 E10 | <b>Vatnsformfræðilegir eiginleikar og vistfræði vatns.</b><br><i>Gerður Stefánsdóttir</i>  |
| 14.15 E11 | <b>Multi-annual changes in the parasite community of the rock ptarmigan</b><br><i>Ute Stenkewitz</i>   |
| 14.30 E12 | <b>Correlates of large-scale variation in breeding output of greylag geese in Iceland</b><br><i>Helgi Guðjónsson</i>                                 |

14:45 KAFFI - COFFEE

15:15 MÁLSTOFA IV - SESSION IV

Fundarstjóri: Silke Werth

- |           |  |
|-----------|--|
| 15:15 E13 | <b>Dreifing álfta frá æskuslóðum.</b><br><i>Olafur Einarsson</i>   |
| 15.30 E14 | <b>Djúpfiskasamfélög í Grænlandssundi</b><br><i>Klara Björg Jakobsdóttir</i>   |
| 15.45 E15 | <b>Iceland and Ocean Acidification: are Calcifyers in need of Prozac Súrnun sjávar við Ísland? Þarf kalkmyndandi lífríki kvíðastillandi?</b><br><i>Hrönn Egilsdóttir</i> |
| 16.00 E16 | <b>Value of seabird research in a sea of climate change</b><br><i>Freyðis Vigfúsdóttir</i>   |

16:15 VEGGPJALDAKYNNINGAR OG LÉTTAR VEITINGAR Í ÖSKJU - POSTER SESSION AND REFRESHMENTS IN ASKJA
